3. MATTERS ARISING

There were no matters arising.

4. TREASURERS REPORT

Reduction of two teams and only 455 players registered this season which means revenue reduced. The fixture book was on budget. There is also reduced revenue because of the low number of entries this year to the Parker Trophy.

5. MATCH SECRETARYS REPORT

Not many matches have been played to date. Some teams are struggling for players and matches are being rearranged at present in the hope that more players will become available. Colin says if things continue we may lose 3 or 4 teams because matches cannot be rearranged indefinitely as we will run out of season to play them in.

6. TOURNAMENT SECRETARY'S REPORT

It has gone past the date for the 1st round of the Parker Trophy however this date has been extended because of trying to get more teams to participate.

It was mentioned by Delamere that they have not entered the Parker Trophy this year because the semi finals and finals are held at the weekend and they know they would have difficulty fielding a team. This was echoed by a couple of other clubs. It was requested by Wendy Copping that George Williams look to see if another venue could be used for future events so as not at the weekend.
